Introduction

Hello, and welcome to the 1st Seren Roberts Memorial Trophy held by Cardiff and Newport SANDS here, at Cottrell Park Golf Club.

I would like to thank you greatly for your participation in today's event.

SANDS is an organisation which can offer you support when your baby dies during pregnancy or after birth.

The death of a baby is a devastating experience. The effects of grief can be overwhelming and parents, their families and friends can be left feeling dazed, disorientated, isolated and exhausted.

At Sands there are people who understand what it's like because many of us have been through this experience ourselves, and we are here to help offer support and information when you need it.

As well as supporting mothers and fathers, we are also able to help other members of your family, especially grandparents and other children. Many people may be touched by your baby's death, including friends and health professionals, and all are welcome to contact us for support and information.

At Cardiff and Newport SANDS, we hold monthly support meetings and help fund support packs and memory boxes for bereaved parents at the University Hospital of Wales, Cardiff, and the Royal Gwent Hospital, Newport. We have also successfully funded a Bereavement Suite at UHW, and aim to replicate this at the Royal Gwent Hospital. We are also currently helping to design and are part funding a new baby memorial in Thornhill Cemetery, Cardiff.

Cottrell Park Golf Club – Button Gwinnett Course

The Button Gwinnett course is named after the Button family who resided at Cottrell Park during the 17th Century. Button Gwinnett, was one of the fifty-six men who assembled at Philadelphia in 1776 to sign the American Declaration of Independence, thus becoming one of America's immortals, whilst one of his forefathers, Admiral Sir Thomas Button, charted the American north west coast, where he named New Wales, Hopes Checked, Port Nelson, and Button Island.

The course offers breathtaking views sweeping northwards as far as the Brecon Beacons and southwards over the Bristol Channel to the Mendips.
